25 YEAR RE-REVIEW

MEMORANDUM FOR: Mr. McGeorge Bundy, Special Assistant to the
President for National Security Affairs

SUBJECT : Review of Foreign Intelligence Activities in

Advisory Board Recommendation No. 27)

REFERENCE : White House Memorandum dated 14 August 1962,
Subject same as above

You will recall that I telephoned you some time ago concerning this memorandum and the fact that the action on general recommendations 3, 4, 7, and 3. b. all ask that reports be submitted by the Department of Defense to the President. I called to your attention that the previous reports on these recommendations had been submitted to the DCI who in turn reported to the President, and suggested that both in order to be consistent with previous action, and in order to follow the President's personal injunction and his Foreign Intelligence Advisory Board's frequent admonitions, that the Director should also reply on these. I would appreciate it if the Department of Defense could be advised to submit their reports to the Director of Central Intelligence. A draft memorandum to accomplish this is attached.
